## Product Datasheet

### **Tubulin-Specific Chaperone C (TBCC) Antibody, Unconjugated, Rabbit, Polyclonal ABX003054**

|                            |                                                                                |
|----------------------------|--------------------------------------------------------------------------------|
| Article Name               | Tubulin-Specific Chaperone C (TBCC) Antibody, Unconjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | ABX003054                                                                      |
| Supplier Catalog Number    | abx003054                                                                      |
| Alternative Catalog Number | ABX003054-20UL, ABX003054-100UL, ABX003054-2X100UL                             |
| Manufacturer               | Abbexa                                                                         |
| Host                       | Rabbit                                                                         |
| Category                   | Antikörper                                                                     |
| Application                | WB                                                                             |
| Species Reactivity         | Human                                                                          |
| Immunogen                  | Synthetic peptide corresponding to TBCC. The exact sequence is proprietary.    |
| Conjugation                | Unconjugated                                                                   |
| Clonality                  | Polyclonal                                                                     |
| Concentration              | > 0.2 mg/ml                                                                    |
| Molecular Weight           | Calculated MW: 41 kDa Observed MW: 50 kDa                                      |
| NCBI                       | <a href="#">6903</a>                                                           |
| UniProt                    | <a href="#">Q15814</a>                                                         |

|               |                                                                      |
|---------------|----------------------------------------------------------------------|
| Buffer        | PBS, pH 7.3, containing 0.02% sodium azide, 0.05% BSA, 50% glycerol. |
| Form          | Liquid                                                               |
| Target        | Tubulin-Specific Chaperone C (TBCC)                                  |
| Antibody Type | Primary Antibody                                                     |
