## Product Datasheet

### Retinol (RET) Antibody, Unconjugated, Rabbit, Polyclonal ABX005602

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Article Name               | Retinol (RET) Antibody, Unconjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | ABX005602                                                |
| Supplier Catalog Number    | abx005602                                                |
| Alternative Catalog Number | ABX005602-60UL, ABX005602-120UL, ABX005602-200UL         |
| Manufacturer               | Abbexa                                                   |
| Host                       | Rabbit                                                   |
| Category                   | Antikörper                                               |
| Application                | IF, WB                                                   |
| Species Reactivity         | Human, Mouse, Rat                                        |
| Immunogen                  | A synthetic peptide corresponding to human Ret           |
| Conjugation                | Unconjugated                                             |
| Clonality                  | Polyclonal                                               |
| Concentration              | 1 mg/ml                                                  |
| Molecular Weight           | Calculated MW: 119 kDa/124 kDa Observed MW: 150 kDa      |
| NCBI                       | <a href="#">5979</a>                                     |
| UniProt                    | <a href="#">P07949</a>                                   |
| Buffer                     | PBS, pH 7.3, containing 0.05% Proclin-300, 50% glycerol. |
| Form                       | Liquid                                                   |

|               |                  |
|---------------|------------------|
| Target        | Retinol (RET)    |
| Antibody Type | Primary Antibody |
