## Product Datasheet

### Sodium/hydrogen Exchanger 9 (SLC9A9) Antibody, Unconjugated, Rabbit, Polyclonal ABX005799

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | Sodium/hydrogen Exchanger 9 (SLC9A9) Antibody, Unconjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | ABX005799                                                                       |
| Supplier Catalog Number    | abx005799                                                                       |
| Alternative Catalog Number | ABX005799-60UL, ABX005799-120UL, ABX005799-200UL                                |
| Manufacturer               | Abbexa                                                                          |
| Host                       | Rabbit                                                                          |
| Category                   | Antikörper                                                                      |
| Application                | WB                                                                              |
| Species Reactivity         | Human, Mouse                                                                    |
| Immunogen                  | Recombinant fusion protein corresponding to human SLC9A9                        |
| Conjugation                | Unconjugated                                                                    |
| Clonality                  | Polyclonal                                                                      |
| Concentration              | 1 mg/ml                                                                         |
| Molecular Weight           | Calculated MW: 72 kDa Observed MW: 73 kDa                                       |
| NCBI                       | <a href="#">285195</a>                                                          |
| UniProt                    | <a href="#">Q8IVB4</a>                                                          |
| Buffer                     | PBS, pH 7.3, containing 0.02% sodium azide, 50% glycerol.                       |

|               |                                      |
|---------------|--------------------------------------|
| Form          | Liquid                               |
| Target        | Sodium/hydrogen Exchanger 9 (SLC9A9) |
| Antibody Type | Primary Antibody                     |
