## Product Datasheet

### **Annexin V, Biotin** **ABX095275**

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| Article Name               | Annexin V, Biotin                                             |
| Biozol Catalog Number      | ABX095275                                                     |
| Supplier Catalog Number    | abx095275                                                     |
| Alternative Catalog Number | ABX095275-0.1MG                                               |
| Manufacturer               | Abbexa                                                        |
| Category                   | Molekularbiologie                                             |
| Application                | FC                                                            |
| Conjugation                | Biotin                                                        |
| Concentration              | Prior to lyophilization: 0.5 mg/ml                            |
| Buffer                     | Prior to lyophilization: PBS, pH 7.4 with 15 mM sodium azide. |
| Form                       | Lyophilized                                                   |
| Target                     | Annexin V (ANXA5)                                             |
