| Alternative Catalog Number | BOB-DZ41080-FLUORO647-200UL                                                                                 |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Insect                                                                                                      |
| Clonality                  | Polyclonal                                                                                                  |
| Concentration              | 500µg/ml                                                                                                    |
| UniProt                    | <a href="#">C9XI66</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |
| Target                     | Thioester-containing protein 1 allele R1                                                                    |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
