| Article Name               | Anti-CD86 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                               |
| Biozol Catalog Number      | BOB-PB9251-HRP                                                                                                                               |
| Supplier Catalog Number    | PB9251-HRP                                                                                                                                   |
| Alternative Catalog Number | BOB-PB9251-HRP-100UG                                                                                                                         |
| Manufacturer               | Boster Bio                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                   |
| Application                | ELISA, IHC, WB                                                                                                                               |
| Species Reactivity         | Human, Mouse                                                                                                                                 |
| Immunogen                  | E.coli-derived human CD86 recombinant protein (Position: A24-F329). Human CD86 shares 50% amino acid (aa) sequence identity with mouse CD86. |
| Clonality                  | Polyclonal                                                                                                                                   |
| Molecular Weight           | Calculated Molecular Weight: 37682 MW                                                                                                        |
| NCBI                       | <a href="#">942</a>                                                                                                                          |
| UniProt                    | <a href="#">P42081</a>                                                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                          |
| Purity                     | Immunogen affinity purified.                                                                                                                 |
| Form                       | Liquid                                                                                                                                       |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | T-lymphocyte activation antigen CD86                                                                                                                                                                                                  |
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
