| Article Name               | Anti-KCND1 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                  |
| Biozol Catalog Number      | BOB-PB9256-CY3                                                                                                                                   |
| Supplier Catalog Number    | PB9256-Cy3                                                                                                                                       |
| Alternative Catalog Number | BOB-PB9256-CY3-100UG                                                                                                                             |
| Manufacturer               | Boster Bio                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                           |
| Category                   | Antikörper                                                                                                                                       |
| Application                | FC                                                                                                                                               |
| Species Reactivity         | Human, Mouse                                                                                                                                     |
| Immunogen                  | E.coli-derived human KCND1 recombinant protein (Position: T442-L647). Human KCND1 shares 90% amino acid (aa) sequence identity with mouse KCND1. |
| Clonality                  | Polyclonal                                                                                                                                       |
| Molecular Weight           | Calculated Molecular Weight: 71330 MW                                                                                                            |
| NCBI                       | <a href="#">3750</a>                                                                                                                             |
| UniProt                    | <a href="#">Q9NSA2</a>                                                                                                                           |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                      |
| Purity                     | Immunogen affinity purified.                                                                                                                     |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | A-type voltage-gated potassium channel KCND1  |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
