## Product Datasheet

### Anti-APOBEC3G Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-PB9985-APC

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-APOBEC3G Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                          |
| Biozol Catalog Number      | BOB-PB9985-APC                                                                                              |
| Supplier Catalog Number    | PB9985-APC                                                                                                  |
| Alternative Catalog Number | BOB-PB9985-APC-100UG                                                                                        |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                           |
| Immunogen                  | E.coli-derived human APOBEC3G recombinant protein (Position: E191-N384).                                    |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 46408 MW                                                                       |
| NCBI                       | <a href="#">60489</a>                                                                                       |
| UniProt                    | <a href="#">Q9HC16</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | DNA dC->dU-editing enzyme APOBEC-3G                                  |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
