| Article Name               | Anti-Prohibitin/PHB Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                    |
| Biozol Catalog Number      | BOB-A01178-1-FITC                                                                                            |
| Supplier Catalog Number    | A01178-1-FITC                                                                                                |
| Alternative Catalog Number | BOB-A01178-1-FITC-100UG                                                                                      |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Application                | FC                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                            |
| Immunogen                  | E.coli-derived human Prohibitin/PHB recombinant protein (Position: M1-I257).                                 |
| Clonality                  | Polyclonal                                                                                                   |
| Molecular Weight           | Calculated Molecular Weight: 30 kDa                                                                          |
| NCBI                       | <a href="#">5245</a>                                                                                         |
| UniProt                    | <a href="#">P35232</a>                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> N. |
| Purity                     | Immunogen affinity purified.                                                                                 |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Prohibitin 1                                                         |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
