## Product Datasheet

### Anti-SENK6 Picoband Antibody APC Conjugated, Rabbit, Polyclonal BOB-A05088-3-APC

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Anti-SENK6 Picoband Antibody APC Conjugated, Rabbit, Polyclonal        |
| Biozol Catalog Number      | BOB-A05088-3-APC                                                       |
| Supplier Catalog Number    | A05088-3-APC                                                           |
| Alternative Catalog Number | BOB-A05088-3-APC-100UG                                                 |
| Manufacturer               | Boster Bio                                                             |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | FC                                                                     |
| Species Reactivity         | Human                                                                  |
| Immunogen                  | E.coli-derived human SENK6 recombinant protein (Position: R135-K1086). |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | Calculated Molecular Weight: 75991 MW                                  |
| NCBI                       | <a href="#">26054</a>                                                  |
| UniProt                    | <a href="#">Q9GZR1</a>                                                 |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na2HPO4, 0.02% NaN3.  |
| Purity                     | Immunogen affinity purified.                                           |
| Form                       | Liquid                                                                 |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Target             | Sentrin-specific protease 6                                          |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
