| Article Name               | Anti-HERC5 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                              |
| Biozol Catalog Number      | BOB-A05285-2-PE                                                                                             |
| Supplier Catalog Number    | A05285-2-PE                                                                                                 |
| Alternative Catalog Number | BOB-A05285-2-PE-100UG                                                                                       |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | E.coli-derived human HERC5 recombinant protein (Position: F793-G1024).                                      |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 39411 MW                                                                       |
| NCBI                       | <a href="#">51191</a>                                                                                       |
| UniProt                    | <a href="#">Q9UII4</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Target             | E3 ISG15--protein ligase HERC5                                       |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
