| Article Name               | Anti-BRD1 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                  |
| Biozol Catalog Number      | BOB-A05302-1-APC                                                                                                                                |
| Supplier Catalog Number    | A05302-1-APC                                                                                                                                    |
| Alternative Catalog Number | BOB-A05302-1-APC-100UG                                                                                                                          |
| Manufacturer               | Boster Bio                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                          |
| Category                   | Antikörper                                                                                                                                      |
| Application                | FC                                                                                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                               |
| Immunogen                  | E.coli-derived human BRD1 recombinant protein (Position: R395-Q913). Human BRD1 shares 92.9% amino acid (aa) sequence identity with mouse BRD1. |
| Clonality                  | Polyclonal                                                                                                                                      |
| Molecular Weight           | Calculated Molecular Weight: 120 kDa                                                                                                            |
| NCBI                       | <a href="#">23774</a>                                                                                                                           |
| UniProt                    | <a href="#">O95696</a>                                                                                                                          |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                     |
| Purity                     | Immunogen affinity purified.                                                                                                                    |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Bromodomain-containing protein 1                                     |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
