| Article Name               | Anti-PDE8A Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                   |
| Biozol Catalog Number      | BOB-A05304-1-APC                                                                                                                                  |
| Supplier Catalog Number    | A05304-1-APC                                                                                                                                      |
| Alternative Catalog Number | BOB-A05304-1-APC-100UG                                                                                                                            |
| Manufacturer               | Boster Bio                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                        |
| Application                | FC                                                                                                                                                |
| Species Reactivity         | Human                                                                                                                                             |
| Immunogen                  | E.coli-derived human PDE8A recombinant protein (Position: R32-E495). Human PDE8A shares 80.5% amino acid (aa) sequence identity with mouse PDE8A. |
| Clonality                  | Polyclonal                                                                                                                                        |
| Molecular Weight           | Calculated Molecular Weight: 52588 MW                                                                                                             |
| NCBI                       | <a href="#">5151</a>                                                                                                                              |
| UniProt                    | <a href="#">O60658</a>                                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                       |
| Purity                     | Immunogen affinity purified.                                                                                                                      |

|                    |                                                                                  |
|--------------------|----------------------------------------------------------------------------------|
| Form               | Liquid                                                                           |
| Target             | High affinity cAMP-specific and IBMX-insensitive 3,5-cyclic phosphodiesterase 8A |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users.             |
