| Product Description        | Boster Bio Anti-SARS-CoV-2 NSP12/RNA polymerase Antibody catalog A34004. Tested in ELISA applications. This antibody reacts with Human....                                                                                                                                              |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                                              |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                                               |

|                    |                                                                                             |
|--------------------|---------------------------------------------------------------------------------------------|
| Molecular Weight   | Observed Molecular Weight: 140 kDa, 130 kDa, 110 kDa. Calculated Molecular Weight: 16693 MW |
| NCBI               | <a href="#">43740578</a>                                                                    |
| UniProt            | <a href="#">P0DTD1</a>                                                                      |
| Buffer             | Each vial contains 4mg Trehalose, 0.9mg NaCl and 0.2mg Na <sub>2</sub> HPO <sub>4</sub> .   |
| Purity             | Immunogen affinity purified.                                                                |
| Form               | Lyophilized                                                                                 |
| Target             | Replicase polyprotein 1ab                                                                   |
| Application Dilute | ELISA, 0.001-0.1µg/ml, Human                                                                |
