## Product Datasheet

**Anti-Zebrafish CLPXa/b Antibody Picoband Fluoro647 Conjugated, Rabbit,  
Polyclonal  
BOB-AZA0A8M9QBU1-FLUORO647**

|                            |                                                                                                              |
|----------------------------|--------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Zebrafish CLPXa/b Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                            |
| Biozol Catalog Number      | BOB-AZA0A8M9QBU1-FLUORO647                                                                                   |
| Supplier Catalog Number    | AZA0A8M9QBU1-Fluoro647                                                                                       |
| Alternative Catalog Number | BOB-AZA0A8M9QBU1-FLUORO647-100UG                                                                             |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Species Reactivity         | Zebrafish                                                                                                    |
| Immunogen                  | E.coli-derived zebrafish CLPXa/b recombinant protein (Position: A327-L564).                                  |
| Clonality                  | Polyclonal                                                                                                   |
| NCBI                       | <a href="#">447842</a>                                                                                       |
| UniProt                    | <a href="#">A0A8M9QBU1</a>                                                                                   |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                 |
| Form                       | Liquid                                                                                                       |
| Target                     | ATP-dependent clpX-like chaperone, mitochondrial                                                             |
