## Product Datasheet

### Anti-Zebrafish PPAR Gamma/PPARG Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-AZA6XMH6-FITC

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Zebrafish PPAR Gamma/PPARG Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                       |
| Biozol Catalog Number      | BOB-AZA6XMH6-FITC                                                                                           |
| Supplier Catalog Number    | AZA6XMH6-FITC                                                                                               |
| Alternative Catalog Number | BOB-AZA6XMH6-FITC-100UG                                                                                     |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Species Reactivity         | Zebrafish                                                                                                   |
| Immunogen                  | E.coli-derived zebrafish PPAR Gamma/PPARG recombinant protein (Position: M1-D512)                           |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 60 kDa                                                                         |
| NCBI                       | <a href="#">557037</a>                                                                                      |
| UniProt                    | <a href="#">A6XMH6</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |

|        |                                                  |
|--------|--------------------------------------------------|
| Target | Peroxisome proliferator-activated receptor gamma |
|--------|--------------------------------------------------|
