| Alternative Catalog Number | BYT-ORB1804703-100                                                                                                       |
| Manufacturer               | Biorbyt                                                                                                                  |
| Host                       | Rabbit                                                                                                                   |
| Category                   | Antikörper                                                                                                               |
| Application                | ELISA, FC, ICC, IF, IHC, WB                                                                                              |
| Species Reactivity         | Human                                                                                                                    |
| Immunogen                  | E.coli-derived human LRRN4 recombinant protein (Position: H125-R656).                                                    |
| Conjugation                | Unconjugated                                                                                                             |
| Product Description        | Anti-LRRN4 Antibody. Tested in ELISA, IF, IHC, ICC, WB, Flow Cytometry applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                               |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                |
| Molecular Weight           | 79 kDa                                                                                                                   |
| UniProt                    | <a href="#">Q8WUT4</a>                                                                                                   |

|                    |                                                                                                                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                                           |
| Form               | Lyophilized                                                                                                                                                                                                                                         |
| Target             | Leucine-rich repeat neuronal protein 4                                                                                                                                                                                                              |
| Application Dilute | Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry (Paraffin-embedded Section), 2-5 µg/ml, Human Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human ELISA, 0.1-0.5 µg/ml, - |
