Product Datasheet

General Stercobilin (SB) ELISA Kit BYT-ORB1946746

Article Name	General Stercobilin (SB) ELISA Kit
Biozol Catalog Number	BYT-ORB1946746
Supplier Catalog Number	orb1946746
Alternative Catalog Number	BYT-ORB1946746-48,BYT-ORB1946746-96
Manufacturer	Biorbyt
Category	Kits/Assays
Species Reactivity	All
Product Description	General Stercobilin (SB) ELISA Kit...
Range	1.57-100ng/mL
Sensitivity	0.56 ng/mL
Samples	serum, plasma, stool and other biological fluids
Target	SB

Application Notes

Application Notes: This assay employs the competitive inhibition enzyme immunoassay technique. The microtiter plate provided in this kit has been pre-coated with Stercobilin(SB) protein. Standards or samples are added to the appropriate microtiter plate wells then with a biotin-conjugated antibody specific to Stercobilin(SB). Next, Avidin conjugated to Horseradish Peroxidase (HRP) is added to each microplate well and incubated. After TMB substrate solution is added. The enzyme-substrate reaction is terminated by the addition of sulphuric acid solution and the color change is measured spectrophotometrically at a wavelength of 450nm 10nm. The concentration of Stercobilin(SB) in the samples is then determined by comparing the OD of the samples to the standard curve
