| Article Name               | Apg7/ATG7 Rabbit Polyclonal Antibody (Fluoro550)                                                                                                        |
| Biozol Catalog Number      | BYT-ORB3077213                                                                                                                                          |
| Supplier Catalog Number    | orb3077213                                                                                                                                              |
| Alternative Catalog Number | BYT-ORB3077213-100                                                                                                                                      |
| Manufacturer               | Biorbyt                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                              |
| Application                | FC                                                                                                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                       |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Apg7, different from the related mouse and rat sequences by two amino acids. |
| Conjugation                | Fluoro550                                                                                                                                               |
| Product Description        | Apg7/ATG7 Rabbit Polyclonal Antibody (Fluoro550)...                                                                                                     |
| Clonality                  | Polyclonal                                                                                                                                              |
| Molecular Weight           | 77960 Da                                                                                                                                                |
| UniProt                    | <a href="#">O95352</a>                                                                                                                                  |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                             |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Ubiquitin-like modifier-activating enzyme ATG7                       |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
