| Immunogen                  | KLH conjugated synthetic peptide derived from human Dnmt3a (26-100/912aa)                                                                                                              |
| Conjugation                | APC                                                                                                                                                                                    |
| Product Description        | Dnmt3a Rabbit Polyclonal Antibody (APC) is a APC conjugated antibody targeting DNMT3A. This antibody is suitable for FC, IF. It exhibits reactivity with Human, Mouse, Rat samples.... |
| Clonality                  | Polyclonal                                                                                                                                                                             |
| Concentration              | 1mg/ml                                                                                                                                                                                 |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                 |
| Target                     | DNMT3A                                                                                                                                                                                 |

|                    |                                 |
|--------------------|---------------------------------|
| Application Dilute | Flow-Cyt=1ug/Test, IF=1:100-500 |
