### eIF4A2 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB334490

|                            |                                                                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | eIF4A2 Rabbit Polyclonal Antibody, Unconjugated                                                                                      |
| Biozol Catalog Number      | BYT-ORB334490                                                                                                                        |
| Supplier Catalog Number    | orb334490                                                                                                                            |
| Alternative Catalog Number | BYT-ORB334490-100                                                                                                                    |
| Manufacturer               | Biorbyt                                                                                                                              |
| Host                       | Rabbit                                                                                                                               |
| Category                   | Antikörper                                                                                                                           |
| Application                | FC, ICC, IF, IHC, IHC-Fr, IP, WB                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                    |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human eIF4A2, identical to the related mouse and rat sequences. |
| Conjugation                | Unconjugated                                                                                                                         |
| Product Description        | eIF4A2 Rabbit Polyclonal Antibody...                                                                                                 |
| Clonality                  | Polyclonal                                                                                                                           |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                            |
| Molecular Weight           | 49 kDa                                                                                                                               |
| UniProt                    | <a href="#">Q14240</a>                                                                                                               |

|                    |                                                                                                                                                                                                                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains antibody formulated with stabilizing components, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> , and 0.05 mg NaN <sub>3</sub> . *This antibody is supplied in a stabilized formulation. Compatibility with conjugation reactions depends on the chemistry of the conjugation |
| Form               | Lyophilized                                                                                                                                                                                                                                                                                            |
| Target             | Eukaryotic initiation factor 4A-II                                                                                                                                                                                                                                                                     |
| Application Dilute | Western blot, 0.1-0.5µg/ml, Human, Rat Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human, Mouse, Rat Immunohistochemistry (Frozen Section), 0.5-1µg/ml, Human Immunocytochemistry/Immunofluorescence, 2µg/ml, Human Immunoprecipitation, 0.5-                                        |
