### HMGB2 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB371736

|                            |                                                                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | HMGB2 Rabbit Polyclonal Antibody, Unconjugated                                                                                      |
| Biozol Catalog Number      | BYT-ORB371736                                                                                                                       |
| Supplier Catalog Number    | orb371736                                                                                                                           |
| Alternative Catalog Number | BYT-ORB371736-100                                                                                                                   |
| Manufacturer               | Biorbyt                                                                                                                             |
| Host                       | Rabbit                                                                                                                              |
| Category                   | Antikörper                                                                                                                          |
| Application                | FC, ICC, IF, IHC, WB                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                   |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human HMGB2, identical to the related mouse and rat sequences. |
| Conjugation                | Unconjugated                                                                                                                        |
| Product Description        | HMGB2 Rabbit Polyclonal Antibody...                                                                                                 |
| Clonality                  | Polyclonal                                                                                                                          |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                           |
| Molecular Weight           | 24 kDa                                                                                                                              |
| UniProt                    | <a href="#">P26583</a>                                                                                                              |

|                    |                                                                                                                                                                                                                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains antibody formulated with stabilizing components, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> , and 0.05 mg NaN <sub>3</sub> . *This antibody is supplied in a stabilized formulation. Compatibility with conjugation reactions depends on the chemistry of the conjugation |
| Form               | Lyophilized                                                                                                                                                                                                                                                                                            |
| Target             | High mobility group protein B2                                                                                                                                                                                                                                                                         |
| Application Dilute | Western blot, 0.1-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human, Mouse, Rat<br>Immunocytochemistry/Immunofluorescence, 2µg/ml, Human Immunofluorescence, 5µg/ml, Rat<br>Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells,                    |
