| Article Name               | Beta Tubulin/TUBB Rabbit Polyclonal Antibody, Unconjugated                                                                                 |
| Biozol Catalog Number      | BYT-ORB389435                                                                                                                              |
| Supplier Catalog Number    | orb389435                                                                                                                                  |
| Alternative Catalog Number | BYT-ORB389435-100                                                                                                                          |
| Manufacturer               | Biorbyt                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                 |
| Application                | FC, ICC, IF, IHC, WB                                                                                                                       |
| Species Reactivity         | Gallus, Human, Monkey, Mouse, Rat                                                                                                          |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Beta Tubulin, identical to the related mouse and rat sequences. |
| Conjugation                | Unconjugated                                                                                                                               |
| Product Description        | Beta Tubulin/TUBB Rabbit Polyclonal Antibody...                                                                                            |
| Clonality                  | Polyclonal                                                                                                                                 |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                  |
| Molecular Weight           | 50 kDa                                                                                                                                     |
| UniProt                    | <a href="#">P07437</a>                                                                                                                     |

|                    |                                                                                                                                                                                                                                                             |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                                                |
| Form               | Lyophilized                                                                                                                                                                                                                                                 |
| Target             | Tubulin beta chain                                                                                                                                                                                                                                          |
| Application Dilute | Western blot, 0.1-0.5µg/ml, Human, Monkey, Mouse, Rat, Chicken<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml,<br>Human Immunocytochemistry/Immunofluorescence, 5µg/ml, Human<br>Flow Cytometry(Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human |
