### MED9 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB402593

|                            |                                                                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | MED9 Rabbit Polyclonal Antibody, Unconjugated                                                                                       |
| Biozol Catalog Number      | BYT-ORB402593                                                                                                                       |
| Supplier Catalog Number    | orb402593                                                                                                                           |
| Alternative Catalog Number | BYT-ORB402593-100                                                                                                                   |
| Manufacturer               | Biorbyt                                                                                                                             |
| Host                       | Rabbit                                                                                                                              |
| Category                   | Antikörper                                                                                                                          |
| Application                | ELISA, FC, ICC, IF, IHC, WB                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                   |
| Immunogen                  | E. coli-derived human MED9 recombinant protein (Position: A55-E146).                                                                |
| Conjugation                | Unconjugated                                                                                                                        |
| Product Description        | Anti-MED9 Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                                          |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                           |
| Molecular Weight           | 19 kDa                                                                                                                              |
| UniProt                    | <a href="#">Q9NWA0</a>                                                                                                              |

|                    |                                                                                                                                                                                                                  |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> .                                                                                                 |
| Form               | Lyophilized                                                                                                                                                                                                      |
| Target             | Mediator of RNA polymerase II transcription subunit 9                                                                                                                                                            |
| Application Dilute | Western blot, 0.1-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml Immunocytochemistry/Immunofluorescence, 2µg/ml Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells ELISA, 0.1-0.5µg/ml |
