| Species Reactivity         | Rat                                                                                                                                                                                           |
| Immunogen                  | KLH conjugated synthetic peptide derived from human TRIM5 gamma (301-360/493aa)                                                                                                               |
| Conjugation                | Biotin                                                                                                                                                                                        |
| Product Description        | TRIM5 gamma Rabbit Polyclonal Antibody (Biotin) is a Biotin conjugated antibody targeting TRIM5. This antibody is suitable for IF, IHC-Fr, IHC-P. It exhibits reactivity with Rat samples.... |
| Clonality                  | Polyclonal                                                                                                                                                                                    |
| Concentration              | 1mg/ml                                                                                                                                                                                        |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                        |
| Target                     | TRIM5                                                                                                                                                                                         |

|                    |                                                |
|--------------------|------------------------------------------------|
| Application Dilute | IHC-P=1:100-500, IHC-F=1:100-500, IF=1:100-500 |
