| Manufacturer               | Biorbyt                                                                                                              |
| Host                       | Rabbit                                                                                                               |
| Category                   | Antikörper                                                                                                           |
| Application                | FC, IF, IHC-P, WB                                                                                                    |
| Species Reactivity         | Human, Mouse                                                                                                         |
| Immunogen                  | This HSPA5 antibody is generated from rabbits immunized with a recombinant protein encoding full length human HSPA5. |
| Conjugation                | Unconjugated                                                                                                         |
| Product Description        | HSPA5 Antibody...                                                                                                    |
| Clonality                  | Polyclonal                                                                                                           |
| Concentration              | batch dependent                                                                                                      |
| Molecular Weight           | 72 kDa                                                                                                               |
| NCBI                       | <a href="#">11021</a>                                                                                                |
| UniProt                    | <a href="#">P11021</a>                                                                                               |
| Buffer                     | Supplied in PBS with 0.09% (W/V) sodium azide.                                                                       |

|                   |                                                                                                                                                                          |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                                                                   |
| Target            | HSPA5                                                                                                                                                                    |
| Application Notes | Application Notes: For WB starting dilution is: 1:1000For IHC-P starting dilution is: 1:50~100For IF starting dilution is: 1:10~50For FACS starting dilution is: 1:10~50 |
