| Manufacturer               | MedchemExpress                                                                       |
| Category                   | Biochemikalien                                                                       |
| Product Description        | Propan-2-amine-d6 hydrochloride is the deuterium labeled Propan-2-amine[1]....       |
| Molecular Weight           | 101.61                                                                               |
| Purity                     | 98.43                                                                                |
| CAS Number                 | [126794-59-0]                                                                        |
| Formula                    | C3H4D6ClN                                                                            |
| Target                     | Isotope-Labeled Compounds                                                            |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                          |
