## Product Datasheet

### Monoclonal antibody to Annexin V (Clone: ABM4D1.1G11) ABI-10-1059

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | Monoclonal antibody to Annexin V (Clone: ABM4D1.1G11)                                     |
| Biozol Catalog Number      | ABI-10-1059                                                                               |
| Supplier Catalog Number    | 10-1059                                                                                   |
| Alternative Catalog Number | ABI-10-1059-100UG                                                                         |
| Manufacturer               | Abeomics                                                                                  |
| Host                       | Mouse                                                                                     |
| Category                   | Antikörper                                                                                |
| Application                | WB                                                                                        |
| Species Reactivity         | Human, Mouse, Rat                                                                         |
| Immunogen                  | Full length recombinant protein of Annexin V was used as the immunogen for this antibody. |
| Clonality                  | Monoclonal                                                                                |
| Clone Designation          | [ABM4D1.1G11]                                                                             |
| NCBI                       | <a href="#">308</a>                                                                       |
| UniProt                    | <a href="#">P08758</a>                                                                    |
| Purity                     | Protein G Chromatography                                                                  |
| Form                       | Purified                                                                                  |
| Target                     | Annexin V                                                                                 |

|                    |                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------|
| Application Dilute | Recommended dilutions: WB: 0.01-1 µg/ml. However, this need to be optimized based on the research applications. |
