| Biozol Catalog Number      | ABI-10-1064                                                                                                 |
| Supplier Catalog Number    | 10-1064                                                                                                     |
| Alternative Catalog Number | ABI-10-1064-100UG                                                                                           |
| Manufacturer               | Abeomics                                                                                                    |
| Host                       | Mouse                                                                                                       |
| Category                   | Antikörper                                                                                                  |
| Application                | WB                                                                                                          |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | A partial length recombinant CREB protein (amino acids 70-200) was used as the immunogen for this antibody. |
| Clonality                  | Monoclonal                                                                                                  |
| Clone Designation          | [ABM5B73]                                                                                                   |
| NCBI                       | <a href="#">1385</a>                                                                                        |
| UniProt                    | <a href="#">P16220</a>                                                                                      |
| Purity                     | Protein G Chromatography                                                                                    |
| Form                       | Purified                                                                                                    |
| Target                     | CREB                                                                                                        |

|                    |                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------|
| Application Dilute | Recommended dilutions: WB: 1-2 µg/ml. However, this need to be optimized based on the research applications. |
