## Product Datasheet

**Monoclonal Antibody to Human IL-1beta (Clone: ABM26G5)**  
**ABI-10-4039**

|                            |                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------|
| Article Name               | Monoclonal Antibody to Human IL-1beta (Clone: ABM26G5)                                  |
| Biozol Catalog Number      | ABI-10-4039                                                                             |
| Supplier Catalog Number    | 10-4039                                                                                 |
| Alternative Catalog Number | ABI-10-4039-100UG                                                                       |
| Manufacturer               | Abeomics                                                                                |
| Host                       | Mouse                                                                                   |
| Category                   | Antikörper                                                                              |
| Application                | ELISA, FACS                                                                             |
| Species Reactivity         | Human                                                                                   |
| Immunogen                  | Full-length recombinant human IL-1beta protein was used as immunogen for this antibody. |
| Clonality                  | Monoclonal                                                                              |
| Clone Designation          | [ABM26G5]                                                                               |
| NCBI                       | <a href="#">3553</a>                                                                    |
| UniProt                    | <a href="#">P01584</a>                                                                  |
| Purity                     | Protein G Chromatography                                                                |
| Form                       | Purified                                                                                |
| Target                     | IL-1beta                                                                                |
| Application Dilute         | FACS: 0.5-1 µg/10 <sup>6</sup> cells, ELISA                                             |
