| Article Name               | Monoclonal antibody to Mouse F4/80 (Clone: ABM5D83)                                                           |
| Biozol Catalog Number      | ABI-10-4197-25                                                                                                |
| Supplier Catalog Number    | 10-4197-25                                                                                                    |
| Alternative Catalog Number | ABI-10-4197-25-25UG                                                                                           |
| Manufacturer               | Abeomics                                                                                                      |
| Host                       | Mouse                                                                                                         |
| Category                   | Antikörper                                                                                                    |
| Application                | WB                                                                                                            |
| Species Reactivity         | Mouse                                                                                                         |
| Immunogen                  | A partial length recombinant mF4/80 protein (amino acids 20-250) was used as the immunogen for this antibody. |
| Clonality                  | Monoclonal                                                                                                    |
| Clone Designation          | [ABM5D83]                                                                                                     |
| NCBI                       | <a href="#">13733</a>                                                                                         |
| UniProt                    | <a href="#">Q61549</a>                                                                                        |
| Purity                     | Protein G Chromatography                                                                                      |
| Form                       | Purified                                                                                                      |
| Target                     | mF4/80                                                                                                        |

|                    |                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------|
| Application Dilute | Recommended dilutions: WB: 4-6 µg/ml. However, this need to be optimized based on the research applications. |
