## Product Datasheet

### 1-(4-((6,7-dimethoxy(3,4-dihydroisoquinolyl))methyl)phenyl)-3-(fluoren-2-yl)urea, CAS [[1022510-56-0]] CBS-XQB51056

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | 1-(4-((6,7-dimethoxy(3,4-dihydroisoquinolyl))methyl)phenyl)-3-(fluoren-2-yl)urea, CAS [[1022510-56-0]] |
| Biozol Catalog Number      | CBS-XQB51056                                                                                           |
| Supplier Catalog Number    | XQB51056                                                                                               |
| Alternative Catalog Number | CBS-XQB51056-250MG                                                                                     |
| Manufacturer               | Biosynth                                                                                               |
| Category                   | Biochemikalien                                                                                         |
| Molecular Weight           | 503.6 g/mol                                                                                            |
| Sequence                   | <chem>COC1=C(C=C2C(=C1)CCN=C2CC3=CC=C(C=C3)NC(=O)NC4=CC5=C(C=C4)C6=CC=CC=C6C5)OC</chem>                |
| CAS Number                 | [1022510-56-0]                                                                                         |
| Formula                    | C32H29N3O3                                                                                             |
