## Product Datasheet

### 5-Phenyl-6H-1,3,4-thiadiazin-2-amine hydrochloride, CAS [[74495-44-6]] CBS-ZCA49544

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | 5-Phenyl-6H-1,3,4-thiadiazin-2-amine hydrochloride, CAS [[74495-44-6]] |
| Biozol Catalog Number      | CBS-ZCA49544                                                           |
| Supplier Catalog Number    | ZCA49544                                                               |
| Alternative Catalog Number | CBS-ZCA49544-0.5G, CBS-ZCA49544-5G                                     |
| Manufacturer               | Biosynth                                                               |
| Category                   | Biochemikalien                                                         |
| Molecular Weight           | 227.71 g/mol                                                           |
| Sequence                   | <chem>C1C(=NN=C(S1)N)C2=CC=CC=C2.Cl</chem>                             |
| CAS Number                 | [74495-44-6]                                                           |
| Formula                    | C9H10ClN3S                                                             |
