## Product Datasheet

### Fibrillin 1 Rabbit pAb, Polyclonal ABB-A16677

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | Fibrillin 1 Rabbit pAb, Polyclonal                                                             |
| Biozol Catalog Number      | ABB-A16677                                                                                     |
| Supplier Catalog Number    | A16677                                                                                         |
| Alternative Catalog Number | ABB-A16677-500UL, ABB-A16677-100UL, ABB-A16677-1000UL, ABB-A16677-20UL                         |
| Manufacturer               | ABclonal                                                                                       |
| Host                       | Rabbit                                                                                         |
| Category                   | Antikörper                                                                                     |
| Application                | ELISA, IF, IHC-P, WB                                                                           |
| Species Reactivity         | Human                                                                                          |
| Immunogen                  | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Clonality                  | Polyclonal                                                                                     |
| Molecular Weight           | 312kDa                                                                                         |
| NCBI                       | <a href="#">2200</a>                                                                           |
| UniProt                    | <a href="#">P35555</a>                                                                         |
| Purity                     | Affinity purification                                                                          |

|                    |                                                                                                                                                                                            |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:1000 IHC-P,1:50 - 1:200 IF/ICC,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes  | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Signal Transduction,Cell Biology Developmental Biology,Cytoskeleton,Extracellular Matrix. Shipping: Ice Bag                               |
