## Product Datasheet

### **[KO Validated] Fascin/FSCN1 Rabbit pAb, Unconjugated, Polyclonal ABB-A1904**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | [KO Validated] Fascin/FSCN1 Rabbit pAb, Unconjugated, Polyclonal                               |
| Biozol Catalog Number      | ABB-A1904                                                                                      |
| Supplier Catalog Number    | A1904                                                                                          |
| Alternative Catalog Number | ABB-A1904-100UL, ABB-A1904-20UL                                                                |
| Manufacturer               | ABclonal                                                                                       |
| Host                       | Rabbit                                                                                         |
| Category                   | Antikörper                                                                                     |
| Application                | ELISA, IF, IHC-P, WB                                                                           |
| Species Reactivity         | Human                                                                                          |
| Immunogen                  | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                                   |
| Clonality                  | Polyclonal                                                                                     |
| Molecular Weight           | 55kDa                                                                                          |
| NCBI                       | <a href="#">6624</a>                                                                           |
| UniProt                    | <a href="#">Q16658</a>                                                                         |
| Purity                     | Affinity purification                                                                          |

|                    |                                                                                                                                                                                                                  |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:2000 IHC-P,1:50 - 1:200 IF/ICC,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                       |
| Application Notes  | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics<br>Nuclear Signaling,RNA Binding,Signal Transduction,Cell Biology<br>Developmental Biology,Cytoskeleton,Microfilaments,Actins. Shipping:<br>Ice Bag |
