## Product Datasheet

### [KO Validated] NUCB1 Rabbit pAb, Unconjugated, Polyclonal ABB-A3994

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | [KO Validated] NUCB1 Rabbit pAb, Unconjugated, Polyclonal                                      |
| Biozol Catalog Number      | ABB-A3994                                                                                      |
| Supplier Catalog Number    | A3994                                                                                          |
| Alternative Catalog Number | ABB-A3994-20UL, ABB-A3994-100UL                                                                |
| Manufacturer               | ABclonal                                                                                       |
| Host                       | Rabbit                                                                                         |
| Category                   | Antikörper                                                                                     |
| Application                | ELISA, IF, WB                                                                                  |
| Species Reactivity         | Human                                                                                          |
| Immunogen                  | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                                   |
| Clonality                  | Polyclonal                                                                                     |
| Molecular Weight           | 54kDa                                                                                          |
| NCBI                       | <a href="#">4924</a>                                                                           |
| UniProt                    | <a href="#">Q02818</a>                                                                         |
| Purity                     | Affinity purification                                                                          |

|                    |                                                                                                                                                                         |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:2000 IF/ICC,1:50 - 1:100 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes  | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Signal Transduction,Neuroscience,Calcium Signaling. Shipping: Ice Bag                                                  |
