## Product Datasheet

### [KO Validated] SCYL1 Rabbit pAb, Unconjugated, Polyclonal ABB-A6735

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| Article Name               | [KO Validated] SCYL1 Rabbit pAb, Unconjugated, Polyclonal                                       |
| Biozol Catalog Number      | ABB-A6735                                                                                       |
| Supplier Catalog Number    | A6735                                                                                           |
| Alternative Catalog Number | ABB-A6735-20UL, ABB-A6735-100UL                                                                 |
| Manufacturer               | ABclonal                                                                                        |
| Host                       | Rabbit                                                                                          |
| Category                   | Antikörper                                                                                      |
| Application                | ELISA, WB                                                                                       |
| Species Reactivity         | Human                                                                                           |
| Immunogen                  | Recombinant protein (or fragment). This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                                    |
| Clonality                  | Polyclonal                                                                                      |
| Molecular Weight           | 90kDa                                                                                           |
| NCBI                       | <a href="#">57410</a>                                                                           |
| UniProt                    | <a href="#">Q96KG9</a>                                                                          |
| Purity                     | Affinity purification                                                                           |

|                    |                                                                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                    |
| Application Notes  | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics<br>Nuclear Signaling,Signal<br>Transduction,Neuroscience,Neurodegenerative Diseases. Shipping:<br>Ice Bag |
