## Product Datasheet

### Phospho-Tau-T231 Rabbit pAb, Unconjugated ABB-AP0401

|                            |                                                                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Phospho-Tau-T231 Rabbit pAb, Unconjugated                                                                                                                |
| Biozol Catalog Number      | ABB-AP0401                                                                                                                                               |
| Supplier Catalog Number    | AP0401                                                                                                                                                   |
| Alternative Catalog Number | ABB-AP0401-20UL, ABB-AP0401-100UL                                                                                                                        |
| Manufacturer               | ABclonal                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                               |
| Application                | ELISA, WB                                                                                                                                                |
| Species Reactivity         | Human                                                                                                                                                    |
| Immunogen                  | Synthetic peptide. This information is considered to be commercially sensitive.                                                                          |
| Conjugation                | Unconjugated                                                                                                                                             |
| Molecular Weight           | 79kDa                                                                                                                                                    |
| NCBI                       | <a href="#">4137</a>                                                                                                                                     |
| UniProt                    | <a href="#">P10636</a>                                                                                                                                   |
| Purity                     | Affinity purification                                                                                                                                    |
| Application Dilute         | WB, 1:1000 - 1:5000   ELISA, Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                   |                                                                                                                                                                                                                                                                                                                                               |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | Cross-Reactivity: Mouse,Rat. ResearchArea: Protein phosphorylation,Signal Transduction,Cell Biology Developmental Biology,Apoptosis,Cytoskeleton,Microtubules,Neuroscience, Cell Type Marker,Neurodegenerative Diseases,Amyloid Plaque and Neurofibrillary Tangle Formation in Alzheimers Disease,Stem Cells,Neuron marker. Shipping: Ice Bag |
