| Alternative Catalog Number | BOB-DZ41838-FLUORO594-200UL                                                                                  |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Application                | FC                                                                                                           |
| Species Reactivity         | Insect                                                                                                       |
| Clonality                  | Polyclonal                                                                                                   |
| Concentration              | 500 µg/ml                                                                                                    |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                 |
| Form                       | Liquid                                                                                                       |
| Application Dilute         | Flow Cytometry, Optimal dilutions should be determined by end users.                                         |
