## Product Datasheet

### **Alachlor-oxalamic acid (OA) 100 µg/mL in Acetonitrile, CAS [[171262-17-2]] LGC-DRE-A10060400AL-100**

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | Alachlor-oxalamic acid (OA) 100 µg/mL in Acetonitrile, CAS [[171262-17-2]] |
| Biozol Catalog Number      | LGC-DRE-A10060400AL-100                                                    |
| Supplier Catalog Number    | DRE-A10060400AL-100                                                        |
| Alternative Catalog Number | LGC-DRE-A10060400AL-100                                                    |
| Manufacturer               | Dr. Ehrenstorfer                                                           |
| Category                   | Biochemikalien                                                             |
| Molecular Weight           | 265.3                                                                      |
| Buffer                     | Acetonitrile                                                               |
| Form                       | Single Solution                                                            |
| CAS Number                 | [171262-17-2]                                                              |
| Formula                    | C14 H19 N O4                                                               |
