## Product Datasheet

### **Dimethachlor metabolite SYN 530561 100 µg/mL in Acetonitrile, CAS [[1138220-18-4]] LGC-DRE-A12670330AL-100**

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | Dimethachlor metabolite SYN 530561 100 µg/mL in Acetonitrile, CAS<br>[[1138220-18-4]] |
| Biozol Catalog Number      | LGC-DRE-A12670330AL-100                                                               |
| Supplier Catalog Number    | DRE-A12670330AL-100                                                                   |
| Alternative Catalog Number | LGC-DRE-A12670330AL-100                                                               |
| Manufacturer               | Dr. Ehrenstorfer                                                                      |
| Category                   | Biochemikalien                                                                        |
| Molecular Weight           | 267.28                                                                                |
| Buffer                     | Acetonitrile                                                                          |
| Form                       | Single Solution                                                                       |
| CAS Number                 | [1138220-18-4]                                                                        |
| Formula                    | C13 H17 N O5                                                                          |
