## Product Datasheet

### **3,9-Bis[2,4-bis(1,1-dimethylethyl)phenoxy]-2,4,8,10-tetraoxa-3,9-diphosphaspiro[5.5]undecane, CAS [[26741-53-7]] LGC-DRE-C10651825**

|                            |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| Article Name               | 3,9-Bis[2,4-bis(1,1-dimethylethyl)phenoxy]-2,4,8,10-tetraoxa-3,9-diphosphaspiro[5.5]undecane, CAS [[26741-53-7]] |
| Biozol Catalog Number      | LGC-DRE-C10651825                                                                                                |
| Supplier Catalog Number    | DRE-C10651825                                                                                                    |
| Alternative Catalog Number | LGC-DRE-C10651825                                                                                                |
| Manufacturer               | Dr. Ehrenstorfer                                                                                                 |
| Category                   | Biochemikalien                                                                                                   |
| Molecular Weight           | 604.69                                                                                                           |
| Form                       | Neat                                                                                                             |
| CAS Number                 | [26741-53-7]                                                                                                     |
| Formula                    | C33 H50 O6 P2                                                                                                    |
