| Product Description        | Mouse IL6 Detection Kit (Flow Cytometry Bead Assay) is expressed from Mouse . - Kits/Assays...                                                                                                              |
| Form                       | Solid                                                                                                                                                                                                       |
| Target                     | IL-6                                                                                                                                                                                                        |
| Application Notes          | This Panel (Flow Cytometry Bead Assay) gives quantitative results of mouse Interleukin-6 (IL-6) with a sample testing. The performance of this panel has been optimized for specific analysis of cytokines. |
