## Product Datasheet

### **Anti-Toc34 | Chloroplast outer envelope membrane translocon complex protein (GTPase domain), Rabbit, Polyclonal AGR-AS07-238**

|                            |                                                                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Toc34   Chloroplast outer envelope membrane translocon complex protein (GTPase domain), Rabbit, Polyclonal                         |
| Biozol Catalog Number      | AGR-AS07-238                                                                                                                            |
| Supplier Catalog Number    | AS07-238                                                                                                                                |
| Alternative Catalog Number | AGR-AS07-238                                                                                                                            |
| Manufacturer               | Agrisera                                                                                                                                |
| Host                       | Rabbit                                                                                                                                  |
| Category                   | Antikörper                                                                                                                              |
| Application                | WB                                                                                                                                      |
| Species Reactivity         | A. thaliana, Plant                                                                                                                      |
| Immunogen                  | gel piece with purified GTPase domain of Arabidopsis thaliana that is missing the transmembrane domain with a His-tag on the C-terminus |
| Clonality                  | Polyclonal                                                                                                                              |
| Molecular Weight           | 34   27 kDa                                                                                                                             |
| Purity                     | Serum                                                                                                                                   |
| Form                       | Lyophilized                                                                                                                             |
| Application Dilute         | 1 : 10 000 (WB)                                                                                                                         |
