| Article Name               | Rat IgG anti-Mouse IgG2a (Fc)-RPE, MinX none                      |
| Biozol Catalog Number      | SBA-1155-09L                                                      |
| Supplier Catalog Number    | 1155-09L                                                          |
| Alternative Catalog Number | SBA-1155-09L                                                      |
| Manufacturer               | SouthernBiotech                                                   |
| Host                       | Rat                                                               |
| Category                   | Antikörper                                                        |
| Application                | FC, FLISA, Multiplex Assay                                        |
| Species Reactivity         | Mouse                                                             |
| Conjugation                | RPE                                                               |
| Format                     | IgG                                                               |
| Target Specificity         | IgG2a (Fc)                                                        |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                               |
| Product Description        | PE Anti-Mouse IgG2a antibody for use in flow cytometry assays.... |
| Clonality                  | Monoclonal                                                        |
| Clone Designation          | [SB84a]                                                           |
| Isotype                    | IgG1                                                              |
| Form                       | Purified                                                          |
