| Article Name               | Anti-HLA-G FITC, Clone: [87G], Monoclonal                                                                                                                  |
| Biozol Catalog Number      | EXB-1F-437-C025                                                                                                                                            |
| Supplier Catalog Number    | 1F-437-C025                                                                                                                                                |
| Alternative Catalog Number | EXB-1F-437-C025                                                                                                                                            |
| Manufacturer               | EXBIO                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                 |
| Application                | FC                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                      |
| Immunogen                  | HLA-B27 transgenic mice were immunized with H-2 identical murine cells transfected with and expressing genes encoding HLA-G and human beta2-microglobulin. |
| Conjugation                | FITC                                                                                                                                                       |
| Clonality                  | Monoclonal                                                                                                                                                 |
| Concentration              | 1 mg/ml                                                                                                                                                    |
| Clone Designation          | [87G]                                                                                                                                                      |
| Isotype                    | IgG2a                                                                                                                                                      |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide                                                                                                |
| Storage                    | 2°C to 8°C                                                                                                                                                 |
| Antibody Type              | Monoclonal Antibody                                                                                                                                        |

|                   |                                                                                                                                                              |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | Flow cytometry: Extracellular and intracellular staining, recommended dilution: 2 µg/ml, positive control: JEG-3 human choriocarcinoma epithelial cell line. |
