## Product Datasheet

### **Rat IgG2a kappa anti-Mouse Kappa light chain (LO-MK-1)-HRPO, MinX Ck,Rb,Go,Sh,,Dg,Sw,Mo,Hu SYN-LO-MK-1-HRP-0.5**

|                            |                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------|
| Article Name               | Rat IgG2a kappa anti-Mouse Kappa light chain (LO-MK-1)-HRPO, MinX<br>Ck,Rb,Go,Sh,,Dg,Sw,Mo,Hu |
| Biozol Catalog Number      | SYN-LO-MK-1-HRP-0.5                                                                           |
| Supplier Catalog Number    | LO-MK-1-HRP-0.5                                                                               |
| Alternative Catalog Number | SYN-LO-MK-1-HRP-0.5                                                                           |
| Manufacturer               | Synabs                                                                                        |
| Host                       | Rat                                                                                           |
| Category                   | Antikörper                                                                                    |
| Application                | ELISA, IA, IAC, IH                                                                            |
| Species Reactivity         | Mouse                                                                                         |
| Conjugation                | HRPO                                                                                          |
| Format                     | IgG2a                                                                                         |
| Target Specificity         | Kappa (Light Chain)                                                                           |
| Cross-Adsorption (MinX)    | Gallus,Rabbit,Goat,Sheep,Bovine,Equine,Canine,Porcine,Monkey,Hu<br>an                         |
| Clonality                  | Monoclonal                                                                                    |
| Concentration              | 1mg/mL                                                                                        |
| Clone Designation          | [LO-MK-1]                                                                                     |

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Isotype       | IgG2a kappa                                                           |
| UniProt       | <a href="#">P01837</a>                                                |
| Buffer        | PBS/50%glycerol                                                       |
| Purity        | Immunoaffinity chromatography (Purification on Mouse anti-Rat column) |
| Formula       | PBS/50%glycerol                                                       |
| Target        | Mouse Kappa ligth chain                                               |
| Antibody Type | Secondary Antibody                                                    |
