| Article Name               | Fulvestrant, CAS [[129453-61-8]]                                                                 |
| Biozol Catalog Number      | LKT-F8147                                                                                        |
| Supplier Catalog Number    | F8147                                                                                            |
| Alternative Catalog Number | LKT-F8147-5,LKT-F8147-25,LKT-F8147-100                                                           |
| Manufacturer               | LKT Labs                                                                                         |
| Category                   | Biochemikalien                                                                                   |
| Product Description        | Induces ER degradation....                                                                       |
| Molecular Weight           | 606.77                                                                                           |
| Purity                     | 98%                                                                                              |
| CAS Number                 | [129453-61-8]                                                                                    |
| Formula                    | C32H47F5O3S                                                                                      |
| Application Dilute         | Soluble in ethanol (>200 mg/mL), DMSO (>20 mg/mL). Insoluble in water. DMF 20 mg/mL, chloroform. |
