### Levofloxacin Hydrochloride Monohydrate LKT-L1786

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| Article Name               | Levofloxacin Hydrochloride Monohydrate                                                              |
| Biozol Catalog Number      | LKT-L1786                                                                                           |
| Supplier Catalog Number    | L1786                                                                                               |
| Alternative Catalog Number | LKT-L1786-500,LKT-L1786-1,LKT-L1786-5                                                               |
| Manufacturer               | LKT Labs                                                                                            |
| Category                   | Biochemikalien                                                                                      |
| Product Description        | Fluoroquinolone, S-(-) isomer of ofloxacin, topoisomerase IV and bacterial DNA gyrase inhibitor.... |
| Molecular Weight           | 415.84                                                                                              |
| Purity                     | 90%                                                                                                 |
| Formula                    | C18H20FN3O4 HCl H2O                                                                                 |
| Application Dilute         | Water(25mg/mL)                                                                                      |
