## Product Datasheet

### Loratadine, CAS [[79794-75-5]] LKT-L5767

|                            |                                                |
|----------------------------|------------------------------------------------|
| Article Name               | Loratadine, CAS [[79794-75-5]]                 |
| Biozol Catalog Number      | LKT-L5767                                      |
| Supplier Catalog Number    | L5767                                          |
| Alternative Catalog Number | LKT-L5767-500,LKT-L5767-1,LKT-L5767-5          |
| Manufacturer               | LKT Labs                                       |
| Category                   | Biochemikalien                                 |
| Product Description        | Histamine H1 antagonist, FIASMA....            |
| Molecular Weight           | 382.88                                         |
| Purity                     | 98%                                            |
| CAS Number                 | [79794-75-5]                                   |
| Formula                    | C22H23ClN2O2                                   |
| Application Dilute         | Soluble in DMSO (26mg/mL). Insoluble in water. |
